# Seminar Announcement

## Prof. Irina Asenova
Kableshkov University of Transport, Sofia (Bulgaria)
(22-24 September 2025 - Aula F. Alessandri - Dip. Ingegneria)

**Monday 22, 9:30-12:30 - Lecture 1**: "Symbolic Sensitivity Analysis by Nullor Model and Modified Coates Flow Graph" (3 hours)

**Tuesday 23, 9:30-12:30 - Lecture 2**: "Multiparameter symbolic sensitivity analysis enhanced by nullor model and modified coates flow graph" (3 hours)

**Wednesday 24, 9:30-11:30 - Lecture 3**: "Multiparameter Sensitivity Analysis of the Transfer Function of a T-shaped filter" (2 hours)

**The seminars are open to PhD students, faculty members, and Master's degree students.**
